## MY EDUCATION

I am a 3rd year student of a Bachelor's degree in Informatic Engineering at Faculty of Engineering, University of Porto (FEUP).

I completed a Junior Fullstack Developer course at Bytes4Future Porto, where my team won the hackathon, demonstrating our problem-solving skills.

I am the CEO & Founder of Bitwise Lab, a software development company specializing in mobile and web applications, which I launched about a year ago.

## SOME OF MY PROGRAMMING SKILLS:

C
